Take a right on Stovall and go one block to **Eisenhower Ave.** (A Holiday Inn is across the street from you.) Go left onto Eisenhower Ave. and pass the AMC theater on the left and the Eisenhower Metro on the right. Go two blocks to a traffic circle--go one fourth of the way around--making a right onto **Eisenhower Ave.** In the second block, there are 2 brick buildings on the right; the first one is red brick and the second one is brown brick.
